

November Newsletter 2022

November reminds us to stop and evaluate our blessings. This month children will learn about gratitude and thankfulness through stories, art, and classroom activities. We are thankful for all of our CDC families. A Thanksgiving feast in the classroom is a great way to share with friends. Thanksgiving feast sign ups can be found with each classroom sign in/out cart soon. Please keep in mind how many children an item is needed for, so we do not have an abundance of left overs. We wish you and your family a very happy Thanksgiving.

Signing your child in and out daily is a must. This is required by Community Care State Licensing.

In your child's file, you will find an Ages and Stages Questionnaire. Please take a few minutes to fill this out and return it no later than November 11. Thank you in advance for your participation.
