## Easter Blessings

Spring and Easter often remind us of new life. The trees are growing new leaves, the flowers are blooming, insects are emerging, and birds are chirping. We are so blessed to be able to be here at "the school on the hill." We have a wonderful view daily from our playground. This Easter season we are thankful for all the wonderful things God has provided, especially Jesus.

The Spring Sing was a perfect reminder of why Mount Cross Child Development Center is here. Building relationships between the school, students, and families has been such a blessing. The children shared such a wonderful performance to you of their favorite songs. None of this would have been possible without the practice and encouragement of the teachers. Thank you to all of the wonderful Mount Cross Teachers!

It is amazing how fast the school year has gone. Easter break is just around the corner. Mark your calendars. Sign ups are available for the classroom celebrations.

What you will need- vegetable oil, white vinegar, food coloring, mugs (one for each color), spoons (one for each color)

1. Place one tablespoon of oil and one tablespoon of vinegar into each mug. Add a different color of food coloring to each mug. Fill to 3/4 full of water and stir each one. Each mug should have its own spoon.

2. Hold your boiled egg in one hand and stir the liquid in the mug with the spoon using your other hand. Stir it several times to create a whirlpool effect. Immediately remove the spoon, place egg on spoon and lower egg into swirling water.

#### WHEN I PLAY, I LEARN

When I participate in chapel time, I learn...

- God created the world for us, and takes care of us
- That He loves me and my family
- That we talk to God when we pray
- That we should praise and thank God when we pray
- That we should praise and thank God daily
- That I am a child of God

Thank you for all of your support at the Scholastic Book Fair and the See's Candies fundraiser. We appreciate you!
