

November Newsletter 2023

November reminds us to stop and evaluate our blessings. This month children will learn about gratitude and thankfulness through stories, art, and classroom activities. We are thankful for all of our CDC families.

A Thanksgiving feast in the classroom is a great way to share with friends. Thanksgiving feast sign ups can be found within each classroom binder. Please keep in mind how many children an item is needed for, so we do not have an abundance of left overs. We wish you and your family a very happy Thanksgiving.

Signing your child in and out daily is a must. This is required by Community Care State Licensing.
