

October Newsletter 2023

October is already here! September was a month full of apples, new friends, and routines. The children have done a great job making Mount Cross Child Development Center a second home. It has been so great getting to know all our new families and continuing to learn new things about returning families.

October will be all about pumpkins and fall. Chapel will continue with Pastor Julie and Mr. Joe. October, the harvest season, gives us so much to be thankful for. We are thankful for all of the families that entrust us with their child's care. This month we have harvest fun coming up. Mount Cross CDC will have their very own pumpkin patch on Thursday, October 26 and Friday, October 27. The cost is \$5. Costumes may be worn. Please keep in mind when choosing a costume for your child that they will need to be able to use the restroom during their time at school. All accessories need to be left at home (shields, wands, fancy shoes, etc.) It is important that children wear proper shoes for school on costume day and every day. There will be a quick costume parade each morning at 8:40am around the pavilion.
