FEBRUARY NEWSLETTER 2025 LIC- 561709978

Love is in the air!

February reminds us of the things we love. Friends and families are what the students will be celebrating this Valentine's Day. Each class will have a valentine exchange. Please sign the valentines, but do not address the cards. This makes it easier for non-readers. Check with your child's classroom for additional celebration sign ups and how many children are in each class.

Thank you to everyone who has donated snacks to share. Each class enjoys them and the child that brings them loves sharing. Please keep in mind we are a nut free school and cannot serve any products with nuts in them, including lunch bunch.

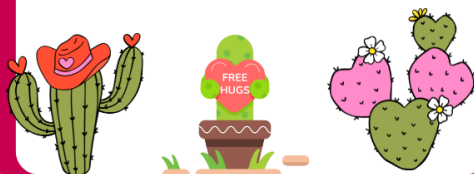

Registration for the new, upcoming 2025-26 school year is available to all current families now. Please stop by the office with any questions and we will be happy to assist you. Remember that the registration fee is discounted for the early birds at \$75!

PARENT/TEACHER CONFERENCES

During the month of February, students are being evaluated. These evaluations will help you make choices for your child's future.

In March, you will have the opportunity to speak one on one with your child's teacher. The conferences will be held Thursday, March 13 and Friday, March 14. There will be no school on these days.
